Dress Code: MODESTY is the key!

Girls: Be mindful that your brothers in the Lord struggle with taking their thoughts captive to Christ, and choose modesty. If you don't know what modesty means, ask yourself: "Am I showing off way to much skin?" "Would I be embarrassed trying this suit on in front of my dad?" "Why do I want to wear this suit?" Remember, our aim for the weekend is to draw closer to God. Therefore, do not dress to draw attention to yourselves.

Guys: No Speedos or underwear showing above the waistline. Once again, gentleman, choose modesty. Do not place a stumbling block in your sisters way, and do not dress to draw attention to yourselves.

High School Summer Camp 2010

BASS LAKE IS HERE! "Bass" has quickly become one of the most talked about and anticipated events on the calendar. This year is going to be even better than last year if you can believe that! In addition to swimming, fishing, hiking the flume, searching out rope swings, lounging on the dock, scavenger hunts, tubing, kneeboarding and wakeboarding, we have added a surprise or two for this year.

We are bringing back our dynamic camp speaker from last year, James Pettifls. James has spoken at various camps throughout California, and the Lord has blessed us with the opportunity to have him speak again at our very own camp! James brings an entertaining personality, a hilarious knowledge of youth culture, and a passion for God's Word together in a way that results in challenging, engaging, and life-changing messages.

So what can I say? "Bass" is going to be off the hook! I can't wait to see all that God has in store for us this year! **SIGN UP NOW SO YOU DON'T MISS OUT!**
